Hike the Hill Instructions:

1. RSVP to Paige a planghoff@dakcu.org if you are coming to Bismarck and How many from your CU.
2. Plan to meet in the Great Hall (main hall that overlooks Capital Mall) at 10:00 AM for Group Photo.
3. Contact your local legislator, let them know you will be coming to Bismarck on March 22, 2023, and ask them if there is a good time to visit about our credit union bill (SB 2266).
4. A spreadsheet of House members is attached to this email. There are tabs with IBL committee members as well – this is the committee that will hold the hearing on our Bill on Wednesday, March 29.
5. There are separate tabs with Metro Districts that have multiple representatives. This includes Fargo-West Fargo, Bismarck-Mandan, Minot, and Grand Forks.
6. If you have multiple districts in your service region, please plan on visiting with as many Representatives in your service region as possible as your members will be constituents of theirs.
7. Download CU talking points (emailed to you) and get familiar with them. These collateral materials have already been distributed to each Representative. We will have extra packets at the Capitol for CU advocates.
8. Please post the CU TV ads on your social media platforms and have your staff and members like and share. You can download them from this link.
