

Offering two tracks: Executive or Emerging Leaders

## LEADING YOURSELF

### SESSION ONE

Come learn more about yourself through professional assessments, including your workplace preferences and emotional intelligence.

Discover where you are on the leadership journey and build a plan for success!

## LEADING OTHERS

### SESSION TWO

Discover key ingredients to leading others, including building high-performing teams, addressing lackluster performance, and gauging true readiness for next role promotion. All geared toward building actionable development plans.

## LEADING THE ORG

### SESSION THREE

Become fluent in our industry's mechanics and key questions leaders of the organization should be asking themselves.

Learn how to set and track effective strategy and metrics, build an effective succession plan, and manage change.
