

# Tyanna Weeks Benefit

On January 31, 2024, a tragic accident involving Tyanna Weeks, a senior at Bishop Ryan Catholic School, occurred as she was driving home from work. The crash was caused by a driver impaired by drugs and alcohol, resulting in Tyanna sustaining severe life-threatening injuries. She has already undergone multiple surgeries, including procedures to address brain swelling by removing part of her scalp, repairing broken bones in her leg and arm, and beginning a series of facial reconstruction surgeries.

Despite being just 18 years old, Tyanna is bravely facing this incredible challenge for recovery. Known for her active lifestyle and unwavering faith, she has always selflessly helped those in need. Her unconditional love and strength are inspirations to us all, and now she needs our support to overcome this difficult time.

Currently in the ICU, Tyanna will remain there until she regains strength and recovers. The substantial medical expenses from this life-altering accident are daunting, and we aim to ease this burden for her family so they can focus on her healing process.

To show support, a silent auction benefit in Tyanna's name will take place on March 22, 2024, at Room 221 in Planet Pizza from 5 pm to 8 pm. Donations for the auction are greatly appreciated to aid this remarkable family during their time of need. The outpouring of love, prayers, and support for Tyanna and her family has been heartwarming.

If you wish to contribute, donations can be dropped off at Aspire Credit Union, located at 1430 South Broadway in Minot. All proceeds raised will directly assist with Tyanna's medical costs.

For further details or to donate an item, please contact me as a member of the committee. Your generosity and kindness are deeply appreciated. God Bless You!

Thank you,

---
