

Western Cooperative Credit Union Job Description

JOB TITLE: Chief Financial Officer

DEPARTMENT: Management

REPORTS TO: President/CEO

FLSA STATUS: Exempt

Purpose: Responsible for assisting the credit union President/CEO in the overall management of the credit union. Direct and manage all practices and activities in the Finance and Accounting functions to ensure compliance with State and Federal rules and regulations. Manage auditing, accounting, and recordkeeping activities of the credit union to ensure they meet generally accepted accounting practices (GAAP). Make recommendations relating to budget preparation, income forecasts, and operational changes as needed.

Essential Duties and Responsibilities include the following. Other duties may be assigned.

Directly or through subordinates, oversee and manage the financial and accounting functions of the credit union to include: ACH, ALM, AP, AR, budgets, collections, GL, financial analysis, financial reporting and recordkeeping, investments, and taxes.

Direct the controller in providing and directing procedures and computer application systems necessary to maintain proper records and to afford adequate accounting controls and services.

Develop, implement, and evaluate policies and procedures for the Accounting Department. Ensure that policies and procedures reflect current regulations and are communicated to and implemented by subordinates.

Direct and analyze studies of general economic, business, and financial conditions and their impact on the credit union's policies and operations.

May direct and supervise development, products, promotion, and sale of the credit union's products and services.

Attend board meetings and report on assigned areas or responsibility as requested by the President/CEO. Present monthly reports to the Board of Directors and President/CEO.

Review and develop strategic plans in relations to the overall goals of the credit union.

Provide guidance regarding investment decisions. Manage the allocation and investment of cash/funds to optimize rate of return and compliance with governing regulations. Monitor the credit union's investment portfolio as needed to assure timely investment decisions as investments mature.

Hold periodic management and/or staff meetings. Identify areas for improvements, changes in procedures, new developments, or changes in services. Keep staff up to date on trends and general credit union information.

Assist with lease negotiation and major purchasing decisions for capital equipment or other capital asset expenditures.

Assist in analysis of new branch site locations and closings of existing branches.

Ensure that the credit union is in compliance with federal laws and regulations, such as BSA monitoring and reporting, as set forth by the National Credit Union Administration and other regulatory agencies. Serve as the credit union's liaison with regulatory agency examiners and auditors.
